

# It's Not Impossible

(c) 2024 by Jens Christensen

oh oh oh ... oh oh oh  
oh oh oh

## Verse 1

In the dark ... of the night  
I can Hear You  
oh oh oh  
In the light ... of the day  
I can feel You  
oh oh oh  
I can see ... The pain  
in your Eyes

## CHORUS

If you believe  
as you can see  
it's not impossible  
and not improbable  
If you can breath  
and you can dream  
it's not unthinkable  
it is achievable  
it's not impossible  
  
you will find your way ...

## Verse 2

In the song ... of your heart  
that is beating  
all through your life  
like the fruit of your mind  
speaking softly ... now  
like an eagle fying  
high above the world  
you will soar  
above the heavens  
and beyond ... like stardust

## (CHORUS)

Flying higher  
than the skyline  
soaring over  
trees and stone ...  
when you search your soul  
you'll find it  
just like a chime  
it will ring inside of you ...

## (Chorus)

It's not impossible ...  
It's not impossible ...
