

KILLIMANJARO

(c) 2024 by Jens Christensen

Verse 1

You dream, you cry
You open Your eyes
To the truth that speaks
As the wilderness calls you

The storm beats strong
And flows on your face
As the tree stays strong
And follows the wind

CHORUS

KILLIMANJARO ... KILLIMANJARO ...
KILLIMANJARO ... KILLIMANJARO

Verse 2

Let wild, be free
The nature Is calling
On you and me
In this modernized jungle

Set loose, let free
The animals all want to roam
In the nature
And live their lives free

CHORUS

KILLIMANJARO ... KILLIMANJARO ...
KILLIMANJARO ... KILLIMANJARO

Hey, Oh Ay - Oh Oh
Hey, Oh Ay - Oh Oh
Hey, Oh Ay - Oh Oh
Hey, Oh Ay - Oh Oh
KILLIMANJARO ...

Verse 3

The Songs of Life
Are Singing in Tune
With Our Hearts that Beat
With the Animal Kingdom

One Life to Live
Their Natural Instinct
That Keeps Them at Home
In Their Wilderness Life

CHORUS

KILLIMANJARO ... KILLIMANJARO ...
KILLIMANJARO ... KILLIMANJARO

Hey, Oh Ay - Oh Oh
Hey, Oh Ay - Oh Oh
Hey, Oh Ay - Oh Oh
Hey, Oh Ay - Oh Oh
KILLIMANJARO ...
