VERSE I

Sometimes I can't see clearly
Knowing I love you dearly
Baby you make me dizzy
Keeping my mind so busy

Holding you close to me now
Where will we go from here now?
When will it be our time love?
When can have you to myself?

CHORUS A

**Testimony ...of Desire
Bringing me higher to your love
Testimony ... of Desire
Baby it's you I'm dreaming of**

**Testimony ... of Desire
Bringing me higher to your love
Testimony ... of Desire
Building a Fire for our love**

VERSE II

I stare in your eyes forever
Feeling our love grow deeper
You are my heart's true keeper
I'm giving you everything I am

Breathing you into me now
Where did you want to be now?
Can we survive this torture?
When can we share eachother's love?

CHORUS B

**Testimony ...of Desire
Bringing me higher to your love
Testimony ... of Desire
Baby it's you I'm dreaming of**

**Testimony ... of Desire
Bringing me higher to your love
Testimony ... of Desire
Building a Fire for our love**
