

YOU'LL FIND YOUR WAY

(c) 2011 by Jens Christensen

Verse 1

Some people find their way, and ...
some people don't
Some things are here to stay and ...
some things they go

Some people have a family ...
others they don't
Some dreams are far away, and ...
others have hope

I know ...
that you will
find your way

I know ...
that you will
find your way

(instrumental break)

Verse 2

Some people find their way, and ...
some people don't
Some people live in hunger ...
some people they don't

Some people have the wisdom ...
others they don't
Some find the road to freedom ...
others they don't

Refrain B

I know ...
that you will
find your way

I know ...
that you will
find your way

(instrumental break)

(Refrain repeat)
